# PRIVATE SWIM LESSONS

FOR YOUTH DEVELOPMENT®  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

Private Swim Lessons are designed to help those who need the little extra attention that one-on-one instruction provides. These classes are generally faster pace due to the specialized attention that each participant receives.

We also believe that training one's Spirit, Mind, and Body is just as important as the information we provide for the participants of our classes. Our goal is not only to teach you to swim but to also embody our four core values — Respect, Caring, Honesty, and Responsibility.

The YMCA Aquatics Department is dedicated to providing quality aquatic programming, which helps build both character and the knowledge it takes to be safe in and around the water.
