

## Pool Safety Reminder

For everyone's safety, only U.S. Coast Guard-approved life jackets are allowed in the pool. Other flotation devices can block lifeguard visibility and create safety risks. Please help us keep the pool safe and clear by avoiding items like inflatables, water wings, and full-face snorkels. If you have questions or need support, see a lifeguard or a member of our Aquatics Leadership Team. Thank you for helping us create a safe and fun environment!
