Water Exercise Classes

Shallow Water Exercise: designed to increase heart rate and condition the whole body. Combines cardiovascular and muscular endurance, strength, and core work utilizing both the shallow and deep end of the pool

Deep Water Jog: a zero impact, moderate intensity class in the deep end of the pool.

Aqua Blast: designed to increase heart rate, build endurance, strength train, and tone the whole body. A high energy class including interval training at a rapid pace.

Aqua Zumba: blends Zumba with water resistance. Less impact on the joints with natural resistance from the water helping to tone muscle in a fun class.

Navy Warrior Program

Wednesdays 7:00-10:00a
